# Our Charities Support Programme for 2009

## Northamptonshire Guide Dogs for the Blind

Over the past three years we have been able to support the tremendous work of the Association by sponsoring 'Brampton Ruff' in 2006 and a second puppy from 2007's event, as yet to be named. We are hoping to see both dogs at this year's event.

## Greenfields Special School

Located in Kingsthorpe on the edge of Northampton, Greenfields provides opportunities for students with severe and profound learning difficulties, including Autistic Spectrum Disorders. Students are taken from all types of backgrounds throughout the county. We hope to provide additional specialised sports equipment which helps improve their quality of life.

## Northamptonshire Junior Golf

Once again we are happy to support this tremendous training programme for youngsters between 6 and 10 years old. Bringing new blood into the wonderful game of golf, the programme gives the youngsters a foundation that can enable them to enjoy the sport for many years to come.

## ChildLine - Championing Children since 1986

We are proud to continue our support for the work of the volunteers who provide trained counselling, advice and protection for children and young people who feel they have nowhere else to turn.

## KidsAid

KidsAid is an exciting new Midlands-based charity working to help children who've suffered from traumatic events, ranging from illness and peer pressure through to family bereavements, domestic violence and abuse.

## Cystic Fibrosis Trust

The Cystic Fibrosis Trust is the UK's only national charity dedicated to all aspects of Cystic Fibrosis. The CF Trust invests in medical research to treat the symptoms of CF and to find an effective treatment by correcting the basic genetic defect. The CF Trust also provides information, advice and support to families affected by Cystic Fibrosis and aims to ensure that people with CF receive appropriate healthcare.

## Warwickshire and Northamptonshire Air Ambulance

Provides an important emergency medical service for the heart of England. Based in Coventry this service routinely carries a Doctor on board, providing rapid response to an area covering 2000 square miles of Warwickshire, Northamptonshire and Milton Keynes as well as the border areas of Leicestershire, Oxfordshire and Birmingham.
